SCHOLAR

The SCHOLAR programme offers subjects which provide a route into careers in science, engineering, business and modern languages. For further study, SCHOLAR programmes articulate with courses at Heriot-Watt University and partner further education colleges. SCHOLAR provides an integrated set of materials and services which meet the needs of both students and their teachers. These resources include:

- comprehensive online interactive learning materials, activities, assessments and revision packs;
- access to online communities, resources, monitoring information and information tools;
- study guides which contain key reference materials and learning activities;
- tutor notes with valuable curriculum and planning information.

SCHOLAR courses at National 5 include English, French, Mathematics and Spanish.

To access Scholar, follow the link:

www.courses.scholar.hw.ac.uk/vle/scholar/

Login details are available from Faculty Heads.

GOOGLE CLASSROOM

Google Classroom is an online tool which facilitate paperless **communication** between teachers and students. Google Classroom allows teachers to create classes, post assignments and view work.

All pupils have access to GLOW which allows access to Google classroom. Codes are available from individual teachers.

SHOW MY HOMEWORK

Show My Homework is an online tool which facilitate paperless **communication** between teachers and students/parents with regards to homework. Pupils and parents have their own individual login and it enables an easy online tool for tracking homework.

All pupils have access to GLOW which allows access to Show My Homework or there is an App which can be downloaded on to personal devices. Parent codes are available from Mr Fleming.
