

Getting Started with Uptree

By Ellie Hammond and Eidane Montgomery

Welcome to Uptree

If you meet four or more professionals in your chosen field before leaving school, you'll be five times more employable compared to your peers.

Uptree can help you with that!

How Uptree Can Help You Succeed At Work

- Help you find out what's out there in the world of work.
- Experience different companies and meet and connect with people working there.
- Build your skills and confidence.
- Find your perfect career.

Getting Started

1. Set up an account on their website <https://uptree.co/>
2. Complete your profile, including: school, exam results & personal summary
3. Pick an event that will be beneficial to your career and register for it.

Don't forget a short motivational statement to show why you're interested in the specific career area.

Navigating the website

Uptree has many tools on their website that can help you with your career path;

The Career Guide tool explores a wide range of careers including;

- Advertising
- Finance
- Healthcare
- Teaching
- Technology
- Pharmaceuticals
- Insurance
- Marketing
- And many more

Online you can access a list of companies that Uptree work closely with to invent opportunities for young people. Some of these include;

Blogs

There is also a wide variety of blogs on their website which range from anything between how to get the best gap year experience to how to write a cv.

Get Employed: Apprenticeship Application Course

Uptree is running a first-class course combining webinars and workshops online to support you through every stage of your apprenticeship application, from reading the job description and writing the application, through to the assessment centre and how to make the best start in your new role.

Experienced facilitators will give tailored advice and guidance in weekly sessions.

The Get Employed course will help you make the most of your applications and feel confident in applying to your dream role.

So how does it work?

You can create a course that fits your needs by registering for workshops focused on STEM, professional services, finance or law applications and support.

You will develop your programme by attending a variety of webinars, including: CV development, assessment centres, interview skills and more.

You will attend your chosen 1 hour sessions from October to March and after attending 5 or more sessions in total you will receive an Uptree Get Employed certificate which will greatly benefit your application.

Keep updated!

The best way to get Uptree updates is to follow them on social media to see the latest opportunities they are offering.
