SAAS

If your child is studying at college, university or a private provider they may be eligible for Higher Education funding.

How to apply

Your child can apply to SAAS at www.saas.gov.uk from April, as soon as you know the course you want to do. **They do not need wait for exam results.**

If your child doesn't get on the course they want, they can easily change or cancel their application online through their SAAS Account.

They must submit their completed application at www.saas.gov.uk and send any supporting evidence via the SAAS document uploader.

Remember to apply as early as possible and before 30 June to ensure your child's funding is in place for the start of their course (give yourselves enough time to gather all your supporting evidence).

SAAS Q and A for parents

When and where?

- Monday 23rd November via Zoom 6pm – 7pm

How do parents login?

- Please click the link here to join the meeting
