

Return of Senior Phase pupils for practical subjects

The timetable below indicates the provision for the following subjects in the week beginning 8 March: Administration, Art and Design, Computing Science, Cyber Security, Drama, Graphic Communication, Laboratory Skills, Metalwork, Music, Photography, Practical Cookery, Woodwork.

Teachers will post information in Google Classrooms to ensure pupils know which session/s they should attend. Pupils studying Art and Design, Drama, Music and Practical Cookery will attend in small groups every second week and these pupils will be informed through their Google Classroom when they are expected to attend. If your child is unable to attend their scheduled session, please contact the school office.

Adherence to Health and Safety guidance is essential for all pupils returning to school. Please make sure your child is aware of the following information:

- Pupils should only report to school a few minutes before their session is due to start, unless using school contract / public transport.
- Pupils should enter school by the side door (courtyard) for S5/6 and front door for S4.
- Pupils should move directly to the allocated classroom on entering the school and should maintain 2 metres distance at all times.
- At the end of the session, pupils should leave the building by the nearest exit door or report to the street where they can work on their other subjects until they are able to go home. Pupils may wish to consider bringing their own I.T. for this time (a limited number of Chromebooks will be available for use).
- If pupils require to remain in school over lunchtime a packed lunch can be eaten in the street area or food can be ordered from the cafeteria using the App. Any pupil using a food outlet in Strathaven must observe social distancing and wear a face covering.
- Pupils may wish to bring a drink/snack as longer sessions will have natural breaks that will be taken within the classroom/work area.

- Pupils should wear school uniform.
- In classrooms / work areas, pupils must:
 - sanitise their hands when entering and leaving the classroom / work area
 - sanitise their desk/workspace at the beginning and end of the session
 - wear a face covering at all times
 - maintain a distance of 2 metre from others (pupils and staff) at all times.
- School contract transport will operate normal start of day drop-off and end of day pick-ups. Pupils must sanitise hands before entering and on leaving a bus, wear a face covering and maintain 2 metre distance from other pupils and the driver.
- Fire Evacuation - in the event of an emergency evacuation, the following temporary procedures should be followed. Pupils and staff should exit the building via the nearest emergency exit. S4 pupils and staff supervising in school should assemble in the Cage. Pupils in S5/6 and staff supervising in school should assemble in the area adjacent to the Crawford Street entrance/exit gate. One member of the office staff and one member of SLT will join the S4 and S5/6 areas. In line with government guidance, everyone should maintain a 2 metre distance from each other when standing outside following an emergency evacuation.

• Day	Stage	Time	Column	Subject	Level	Number (Max)	Teacher	Room
Monday	S5/6	9-12	B	Practical Cookery	N5	8	I Sinclair/L Grant	F040/F044
