UNIVERSITY ADMISSION & ENTRY CRITERIA 2021-2022

Each university sets its own entry criteria often reflecting levels of difficulty within a course OR competition for places.

While it is essential to research and compare individual course entry criteria it is helpful to be aware of some common entry policies and practice across Scotland.

NATIONAL 5 Qualifications

Most universities **DO NOT** need a set number of N5 qualifications (exception, Royal Conservatoire Ballet)

Many universities do not ask for any specific N5's, but where they do it is **most often English and/or maths at C or above.**

Most universities accept N5 **Applications of Mathematics** (previously Lifeskills Maths) at grade C or above **BUT NOT ALL**
If it is not accepted this is usually highlighted in course entry criteria.

HIGHERS Standard Entry and Minimum Entry

Most Scottish Universities ask for **between 3 to 5 Highers** as their 'Standard' or 'Typical' entry requirement

Some universities **also have lower 'Minimum' entry** requirements, often asking for fewer Highers or lower grades. This is linked to 'Contextual' or 'Adjusted' entry criteria.

Universities may list 'Standard' and 'Minimum' entry **requirements at first or second sitting**

'FIRST SITTING' minimum number of higher needed by end of S5

'First Sitting' usually means Highers achieved by the end of S5 (including any gained in S4).

'Second sitting' means Higher achieved by the end of S6.

Universities that list 1st / 2nd sitting usually **increase the number or level of Higher needed** for entry at 'Second sitting' i.e. the end of S6

Uni's with listed increased 2nd sitting requirements:
Heriot-Watt Uni (for a few courses);
Aberdeen Uni;
Edinburgh Uni;
Glasgow Uni;
St Andrew's Uni;
Stirling Uni;
Strathclyde Uni.

ADVANCED HIGHERS

Not essential for first year entry to most courses (except medicine / veterinary) **some uni's require or strongly recommend gaining AdvH's** for some courses:

Aberdeen Uni;
Edinburgh Uni;
Glasgow Uni;
Strathclyde Uni.

Almost all universities in Scotland have options for **Advanced Entry to year 2* with AdvH's** (or other relevant qualifications)
Exceptions include:

Royal Conservatoire;
Glasgow Caledonian;
Glasgow School of Art: (these have college / HNC / HND routes to Advanced Entry).

*Those applying to Advanced Entry but not accepted are usually offered 1st year entry if they meet entry criteria.

DOUBLE COUNTING

Most universities **DO NOT Double Count** Highers & Advanced Highers in the same subjects would be treated as one qualification.

An advanced Higher at C or above would be an upgrade to a previous Higher at B or below, most **universities count the 'better' qualification.**

Exceptions:

If you are eligible for contextual / adjusted entry many uni's will double count.
Glasgow Uni and Glasgow Caledonian Uni will double count for some subjects.

CONTEXTUAL or ADJUSTED ENTRY

Those who meet **widening access 'Contextual' criteria** may be eligible for Adjusted entry where Uni's accept 'minimum' qualifications.

Uni's will (usually) still require qualification in subjects listed as 'Essential'

Applicants will be notified of any Adjusted Entry offer via UCAS

Main criteria are:

- Been in care or are a carer
- In a Uni prep programme for example: SHEP; REACH; LEAPS, etc.
- 1st in your family to go to uni
- Coming from a school or area where few people enter uni
- Have recognised refugee or asylum status

Check individual uni details online

RESITS

Most universities accept resits though they often ask for higher grades. Exceptions include:
Medicine courses; Glasgow Uni; St Andrew's Uni.

FOUNDATION APPRENTICESHIP TO DEGREE OPPORTUNITY

V3

How to read this table:

- ✓ The university offers a degree in this subject area
- ★ The university offers enhanced recognition if applying for a degree in the same subject area (e.g. FA Accountancy into Degree Accountancy)
- The university doesn't offer a degree in this subject area, FA recognised as a Higher towards other subjects (e.g. FA Accountancy into Degree Engineering)
- ✗ The university does not recognise FA frameworks in this subject area (FA in this subject area is not recognised as a Higher towards same/other subjects)

PATHWAYS BETWEEN COLLEGE & UNIVERSITY 2021-22

What is Articulation?

The paths between Scottish colleges and universities where you can progress to the next level of study. In 2019, 28% of all first-degree entrants came from college.

What is Advanced Standing / Advanced Entry?

In 2019, 57% of students moving from college to uni had Advanced Standing, moving to the next SCQF level of study. For example, if you complete a one-year HNC (SCQF 7) you move into the 2nd year of a degree (SCQF 8) – 1+3 model. If you complete a two-year HND (SCQF 8) you go into the 3rd year of a degree (SCQF 9) – 2+2.

<https://www.pathways.ac.uk/>

This website was developed to help you search agreed pathways that can take you from college to degree level study. The web app currently shows the pathways between colleges and universities in the regions of Edinburgh, Midlothian, East Lothian, West Lothian, Stirling, Clackmannanshire, Fife, Falkirk and the Scottish Borders. Include:

Abertay University; Edinburgh University; Edinburgh Napier University; Heriot-Watt University; The Open University; Queen Margaret University Edinburgh; Robert Gordon University Aberdeen; St Andrew's University; and Stirling University
