

# Strathaven Academy

## Extra-Curricular Programme

2021-22

## **Our Programme**

Strathaven Academy provides an excellent extra-curricular programme with the aim of providing all pupils with the opportunity to develop social, physical, mental and emotional wellbeing as well as developing new skills.

We have a culture of promoting leadership in all aspects of school life; often, older pupils leading younger pupils in various activities. This in turn gives our younger students aspirations to become leaders themselves. Very often pupils' first experience of leadership is through clubs and trips and these skills will be enhanced and developed throughout their school career.

We hope you will take advantage of the many opportunities on offer and would love to hear of any other ideas you have to enhance our programme.
