Dear Parent/Carer

S2 Consultation Evening

I would like to invite you to attend our Consultation Evening on Tuesday, 1 March. This will be online and not in-person appointments in the school building. This is an important evening and provides you with an opportunity to discuss your child's progress and meet their class teachers.

The school has introduced a new initiative and easy to use online appointment booking system. This allows you to choose your own appointment times with teachers and you will receive an email confirming your appointments. We are confident this will support parental engagement this session and welcome any feedback. We will review this new system later in the session.

Appointments with teachers can be made from Wednesday, 23 February, 9.00am and will close on Monday, 28 February, 12.00pm. Should you wish to make any changes after this date please contact the school office.

To book your appointments please visit <https://strathaven.schoolcloud.co.uk>. (A short guide on how to add appointments is included with this letter and available on the school website). If you have any issues, please contact the school office.

Please note that you will only be able to make a maximum of ten appointments per pupil and as some staff have more than one S2 class, there may be some teachers who you are unable to meet with.

I take this opportunity to remind you that you may contact the relevant Pupil Support Teacher regarding this report or your child's progress in general.

Yours sincerely

R. James
