

**STRATHAVEN ACADEMY
EASTER SCHOOL 2022**

This year, we are offering a supported study programme for Easter School through a hybrid approach of some in-person sessions and some remote learning sessions. The in-person sessions will be in the Strathaven Academy building with the online sessions being live Google Meet interactions. There will be two sessions per day, one in the morning and one in the afternoon. Each session will last 2 hours:

- Morning sessions, 10.00am until 12.00noon
- Afternoon sessions, 1.00pm until 3.00pm.

The calendar below indicates which subjects and levels will be available. If a pupil is interested in attending any of the Easter School Supported Study sessions, then please complete the Google Form using this link to register an interest in a session:

Additional Supported Study Information

- Our English department has a Supported Study Google Classroom with a range of resources including videos and hints/tips to help prepare pupils for English assessments. The code to join this class for levels National 5, Higher and Advanced Higher and to enable pupils to work through the materials Online has been shared with pupils through their year group Google Classroom.
- Please note that there is also an extensive online Easter School revision programme being offered by e-Sgoil. More information on these sessions and to book places on their classes can be accessed by clicking [here](#).

The e-Sgoil Easter Study Support programme is a key component of the National e-Learning Offer and provides live and interactive online webinars, delivered by experienced and fully GTCS-registered subject specialist teachers. The service is completely free for learners.

The e-Sgoil Easter Study Support programme runs between April 7th and April 14th, providing live interactive daytime webinars. There will be eighty webinar groups covering sixty-six courses, ranging across levels from N4 through to N5, Higher and AH. Each group will meet for three different online sessions.

Please ensure that you sign up to all of the webinars that you plan to attend as registration opens on February 28th and will remain open until March 31st.

- SCHOLAR is another online resource used to support young people studying National Qualifications. A link to their YouTube video which was created to show learners how to use SCHOLAR in their studies as they work towards a National 5, Higher or Advanced Higher qualification can be found by clicking [here](#). The video is suitable for learners with no prior experience of SCHOLAR, but may also be of benefit to students with summative assessments or exams approaching who may wish to use the interactive course materials and automatically marked, end of topic and end of unit assessments for consolidation and revision.
