Information for Staff, Pupils and Visitors

When an Emergency Evacuation Alarm Sounds

Our procedures aim to ensure the safe evacuation of pupils, employees and service users in the event of an emergency.

If the alarm sounds, all those in the building should make their way to the nearest exit and walk to the designated muster points.

Muster Point S1 – S4

All S1 - S4 pupils should walk to the cage and line up at the designated area for their tutor/registration class.

Muster Point S5

All S5 pupils should walk to gates at Crawford Street and line up at the designated area for their tutor/registration class.

Muster Point S6

All S6 pupils should walk to tarmac area at
The far end of the cage and line up at the
designated area for their tutor/registration
class.

Employees & Visitors

All employees who do not have a role/responsibility in an emergency evacuation and all visitors should walk to the tarmac area at the entrance to the cage (football pitch).
