

What is a great lesson at Strathaven Academy?

We have fun while we learn. We take part in a range of activities with clear explanations. We feel safe, included, encouraged, intrigued and engaged with opportunities to share our opinions.

Pupil voice

We have focused and engaged learners who understand the purpose of their learning and all participate in the lesson. Learners take pride in their work and behaviour. The lesson is exciting, collaborative, challenging, inclusive and purposeful.

Staff voice

Teachers are enthusiastic and passionate about their subject and teaching. Our children are safe, valued, respected and supported. Their lessons are engaging, challenging, informative and stimulating with all learners confident and comfortable to participate. Our children look forward to their lessons.
