## Emergency Fire Evacuation Plan 2023

### Contents:

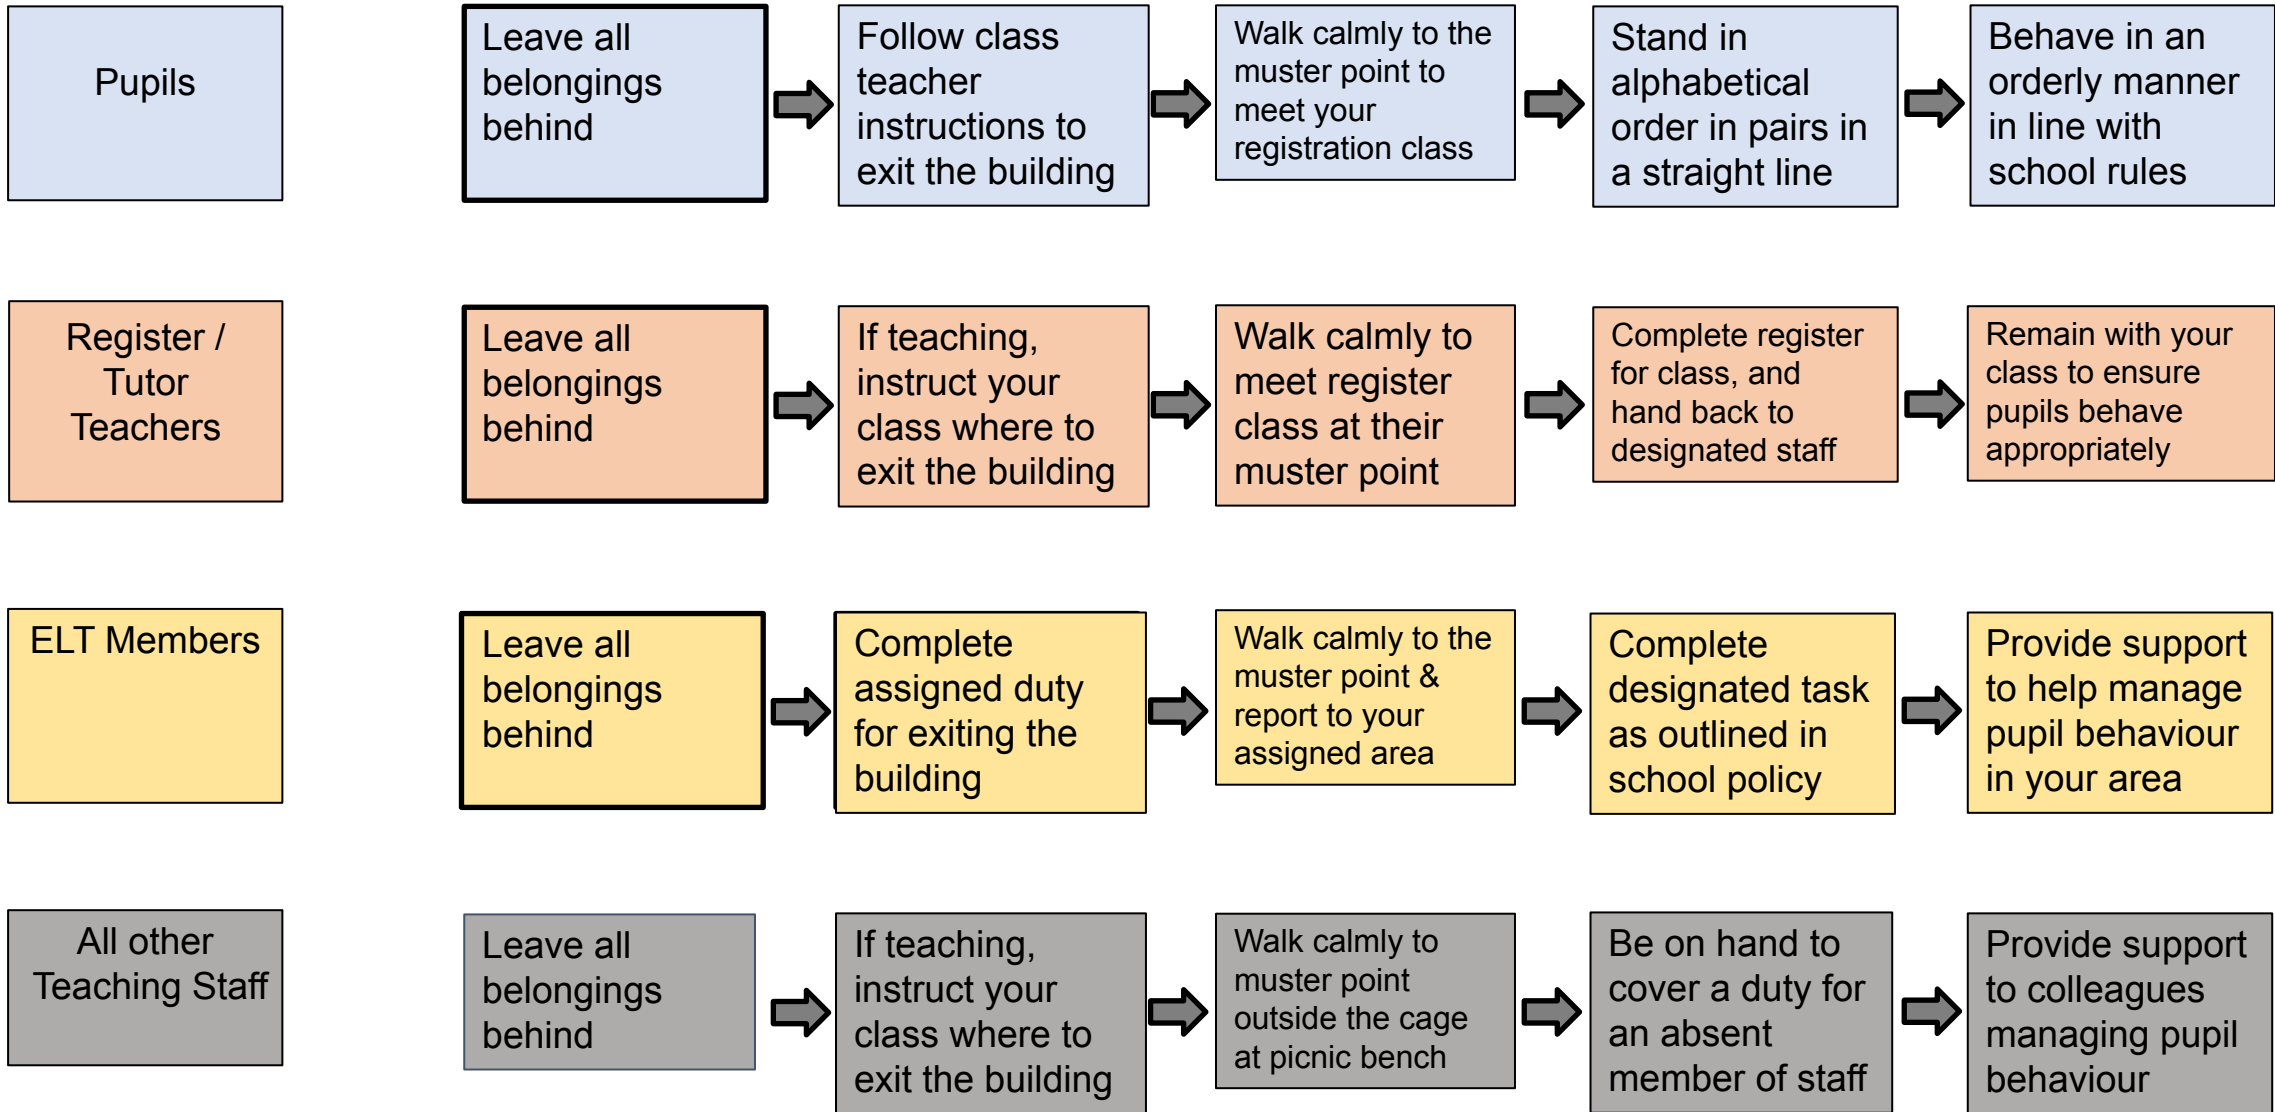

**Slide 1** – Roles and responsibilities of pupils, registration/tutor staff, ELT staff, all other teaching staff

**Slide 2** – Muster points for all pupils (where you should report to depending of your year group)

**Slide 3** – Map of the cage (S1 – S4) muster point – where each class should line up once on the cage

**Slide 4** – Map of the S5 and S6 muster points – where each class should line up

# STRATHAVEN ACADEMY EMERGENCY EVACUATION PLAN RESPONSIBILITIES

**Pupils and staff should remain at their muster point until given the all-clear to return to the building by SLT**

# SLIDE 2

## Pupil Muster Points

When an Emergency Evacuation Alarm Sounds, pupils will be informed by their teacher to:

- Stop what they are doing
- Leave their belongings
- Listen carefully to all instructions
- Remain calm and quiet
- Use the nearest fire exit
- **Walk** carefully out of the building to their assigned muster point

S1, S2, S3 and S4 pupils should report to the cage for their muster point

S5 pupils should report to the tarmac area next to the Crawford Street gates

S6 pupils should report to the tarmac area outside the far end of the cage

### Muster Point S1 – S4

### Muster Point S5

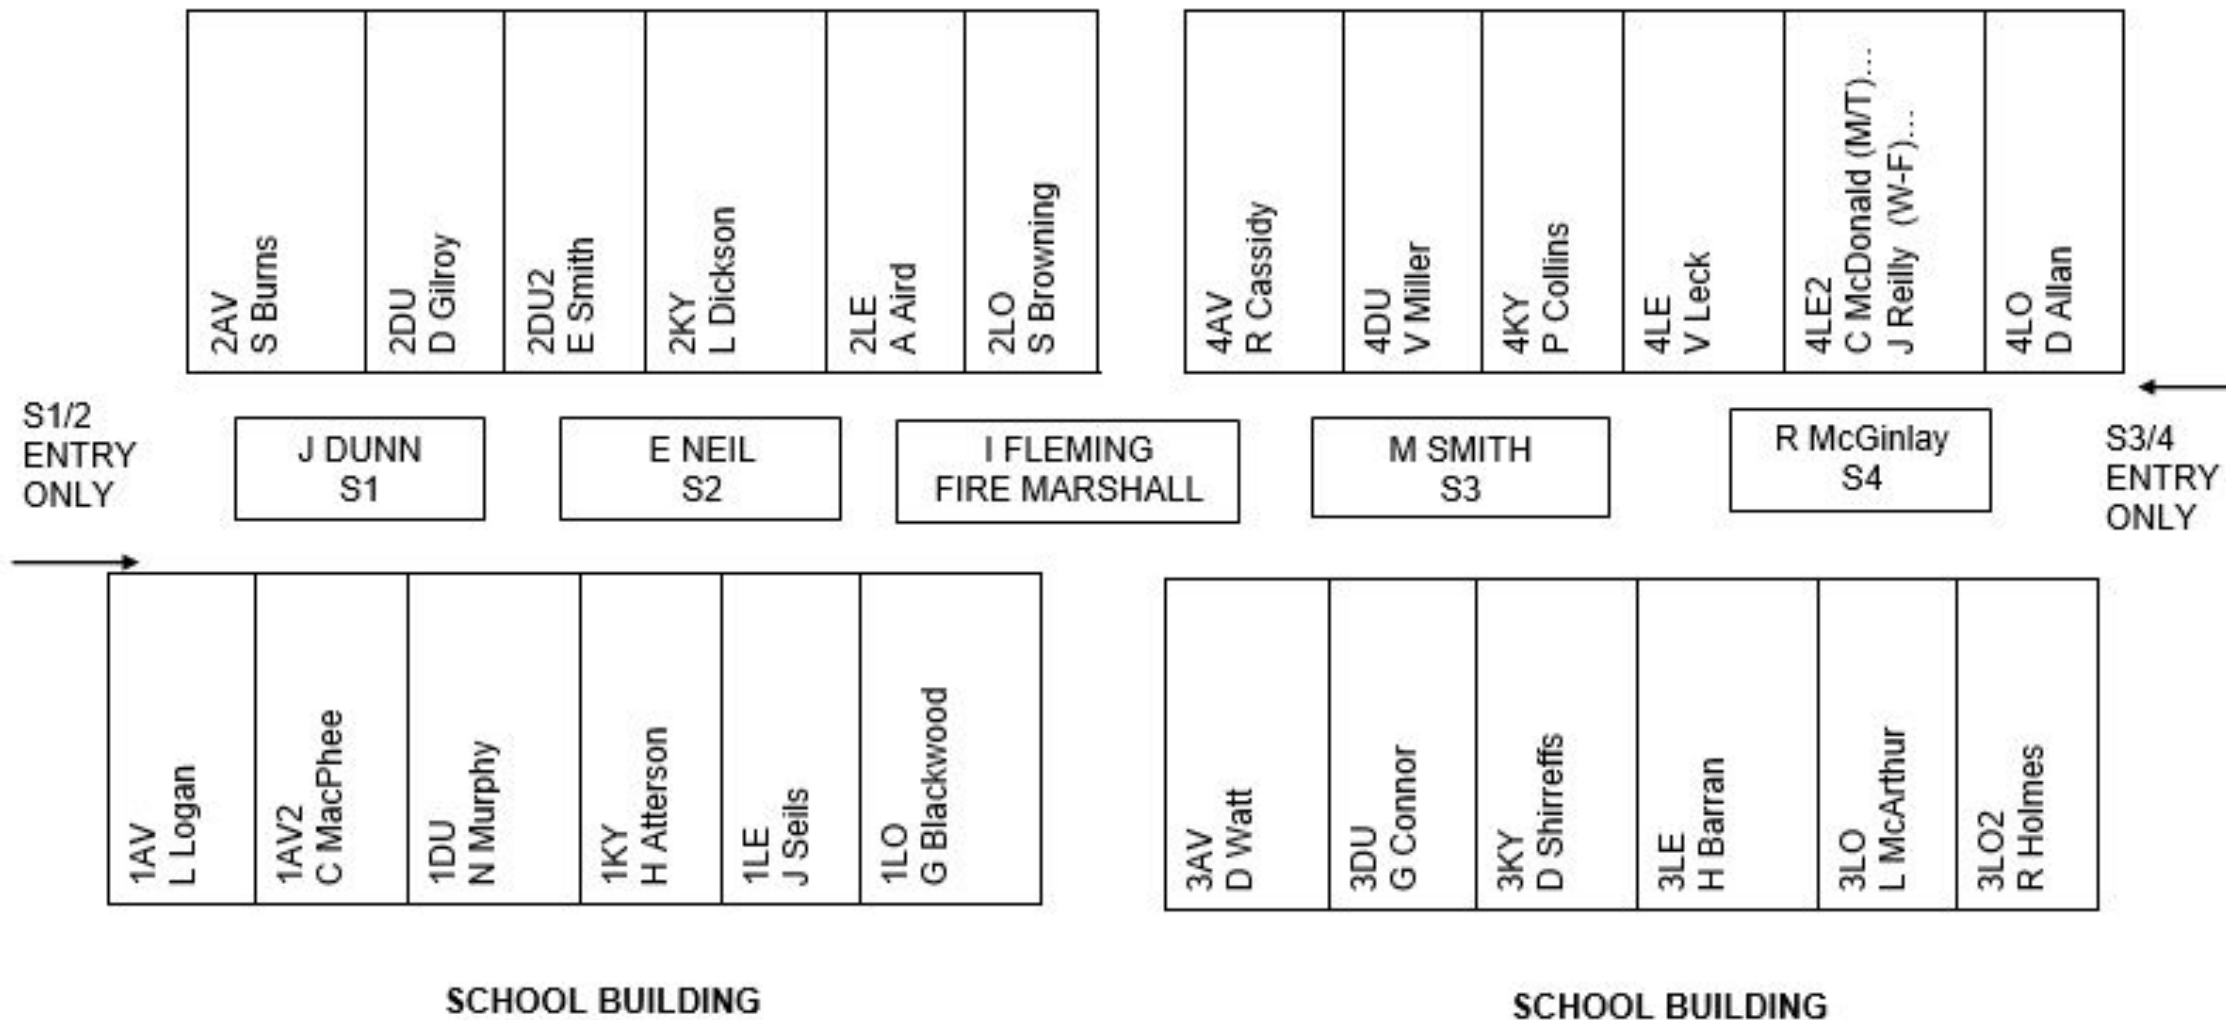

### Muster Point S6
