

# **Strathaven Academy**

## **Senior Phase Universal Target Setting Presentation**

**February 2025**

**J Kane (Year Head S4)**  
**A Humphries (Year Head S5)**  
**L Barr/M Brown (Year Head S6)**

# Aims of Presentation

- to support your child to achieve in the Senior Phase by:
  - ❖ encouraging pupils to take responsibility for their own learning
  - ❖ ensuring all pupils receive full support to get the best out of their time in the Senior Phase
  - ❖ identifying early intervention strategies for pupils in need of additional support/encouragement
  - ❖ working together with parents/carers as partners to help young people plan how best to use their time at home
  - ❖ exploring revision strategies and useful study techniques

# Senior Phase Reports

Full reports were sent home for S4 on Tuesday, 28/01/25 and were issued to S5/6 pupils on Tuesday, 25/2/25. The report contains:

- grades for behaviour, effort and homework in each subject
- working grade for each subject - this indicates the teacher's professional opinion of what the pupil is able to attain in the final exam if they were to continue with their current progress - it is NOT a predicted or estimated grade
- target grade for each subject - this should indicate what the pupil should be working towards between now and the next tracking period (April 2025)
- comments from staff on pupil progress, which should include results from Winter Assessments.

# SQA Update

## SQA exam timetable 2024:

Formal SQA exams begin on Friday, 25 April 2025 and will finish on Friday, 30 May 2025: [Click here for the 2025 Exam Timetable](#)

## SQA Communications:

Pupils: Year Group Google Classroom & SQA Pupil Zone available [here](#)

Parents: School App, Satchel: One & SQA Parent Zone available [here](#)

# Security Of Assessments

In all assessments (including final SQA exams), the following mitigations will be used to protect the security of assessments. Pupils and parents/carers should be aware that failure to comply with these rules is SQA malpractice which can have serious repercussions for young people:

- **mobile phones and all other smart devices including smart watches** should be switched off and placed where instructed by the invigilator
- school bags should be left where instructed by the invigilator
- pupils should only have the required equipment at their desk, e.g. pen, pencil, rubber etc.
- bottled water is allowed at a candidate's desk should they wish
- assessment papers and completed work should remain on the candidate's desk at the end of the assessment - no pupil can remove any assessment materials from the room
- there should be no talking to other candidates during the assessment

## Assessment Arrangements (AA)

Pupils who receive Assessment Arrangements such as digital papers, readers, scribes etc. in class assessments should continue to receive these arrangements in formal assessments.

Different arrangements may be in place for different subjects for pupils depending on the nature of the assessment. Mrs Gallagher, our PT Support for Learning will speak to these pupils individually about this and contact home to discuss. Should you be concerned that your child is entitled to AA and these are not in place, please contact the school office prior to the SQA deadline of 31 March 2025.

# Supported Study in School

- Many subjects offer supported study during lunch time and/or after school.
- Pupils should speak to their class teacher for more information.

Pupils should try to attend as many supported study classes as they can.

- Some subjects have specific study support Google Classrooms e.g. English.

Pupils should speak to their class teacher for joining codes so they can access the resources at a time and place suitable to them.
